

**Hi all,**

**Just to summarize the paper expectations..**

- 1. Pick a topic and a problem**
- 2. Search on line the problem and try to find min 10 papers talking and proposing solutions to the problem.**
- 3. summarize the papers you have read.**
- 4. Give your thoughts about the papers.**

**Around 85% of the grade-----**

- 5. Implement any solution from the papers you have read.**
- 6. Propose your own solution to the problem.**
- 7. Implement your proposed solution.**

**All the best...**
